

# INDUSTRY KICKOFF

The Kansas Department of Transportation (KDOT) is hosting a virtual Industry Kickoff meeting for the U.S. 69 Modernization and Expansion Project design-build project on July 29, 2021. The project limits extend along US 69 from 103rd Street on the north end to 179th Street on the south end and includes the expansion of U.S. 69 to six lanes. The project has received local and state approval to move forward as Kansas' first Express Toll Lane project. KDOT intends to initiate a two-stage design-build procurement process in late 2021 for the first phase of this project. The agenda for the meeting will include a summary of preliminary design activities, an overview of the project scope, budget, procurement process, and additional industry engagement opportunities. If you are a contractor, designer, DBE/WBE, or specialty business this meeting may be of interest to you. All industry representatives are invited to attend and ask questions of KDOT and their Project Management Consultant, HNTB.

The meeting will be held:  
**Thursday, July 29, 2021**  
**2:00 to 3:00 p.m**

(The 60-minute meeting will include a presentation and questions/answers.)

## Virtual Meeting

(Invitations with a link to the meeting will be distributed to all registrants.)

If you are interested in attending the meeting, please register by July 28th. If you are unable to attend, please submit a Letter of Interest. For registration or Letter of Interest email [info@69express.org](mailto:info@69express.org) or call 816-527-2457.

For additional information on the project, please visit the project website: [www.69express.org](http://www.69express.org)
