## Southbound U.S. 69 to 151<sup>st</sup> Street exit ramp will close July 6

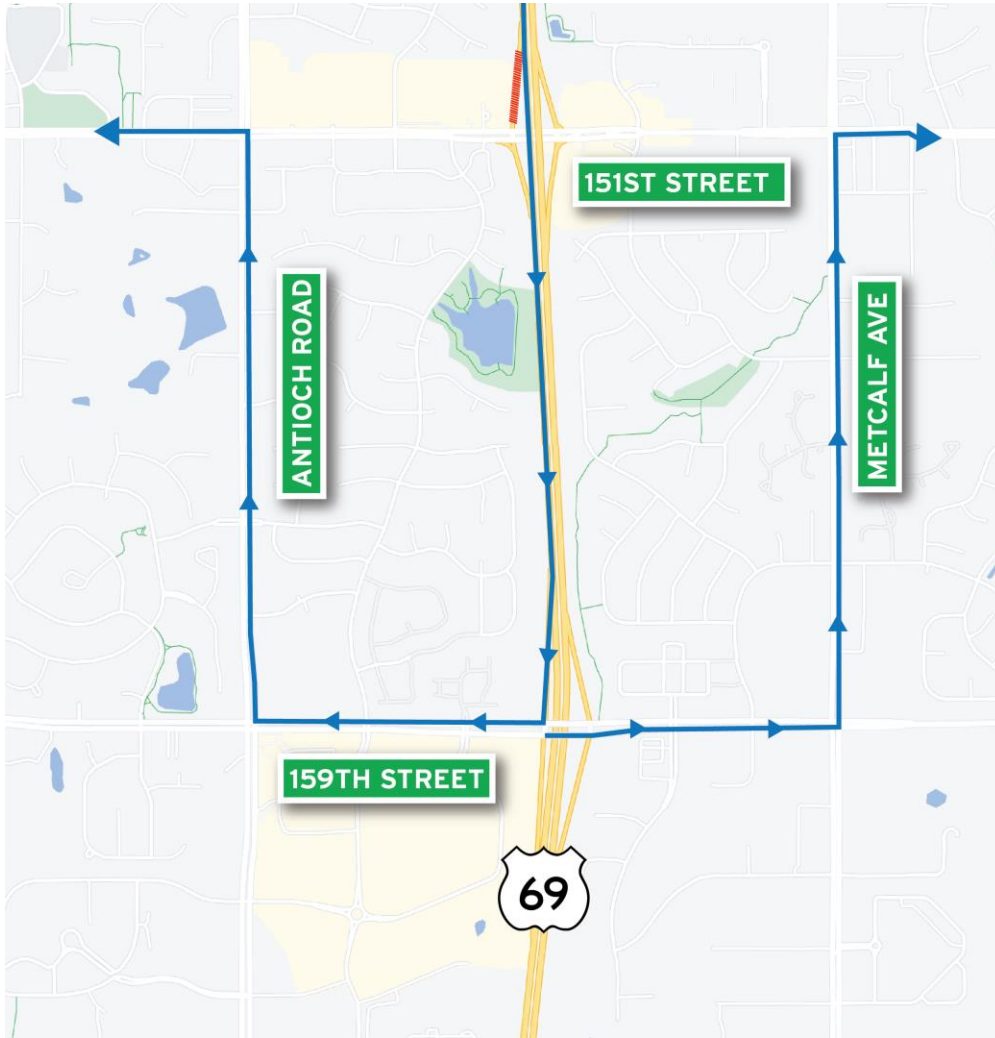

The Kansas Department of Transportation has announced the southbound U.S. 69 to 151<sup>st</sup> Street exit ramp will be closed to traffic starting Thursday, July 6, at 8 p.m. and remain closed for approximately one month.

This temporary ramp closure is necessary to allow safe access for grading and paving work.

A detour will be marked guiding traffic south to exit at the U.S. 69/159<sup>th</sup> Street interchange and then east to travel north on Metcalf Avenue, or west to travel north on Antioch Road, to 151<sup>st</sup> Street.

Construction schedules are subject to change. Current U.S. 69 corridor construction and closure information is available on the 69Express project website, [www.69express.org](http://www.69express.org). For additional project details, members of the public can access regular construction updates on the 69Express [Facebook](#) and [Twitter](#) pages, by [subscribing to the project newsletter](#) and [signing up for mobile phone text alerts](#).

*Map below shows closure location marked in red and detour routes marked in blue.*
