119th Street under U.S. 69 Highway will close the weekend of May 31

In Overland Park, eastbound and westbound 119th Street under U.S. 69 will be **fully closed** to traffic from 7 p.m. Friday, May 31 to 6 a.m. Monday, June 3. Ramps will remain open for right-turn off and on movements.

During the closure, detours will be marked as follows:

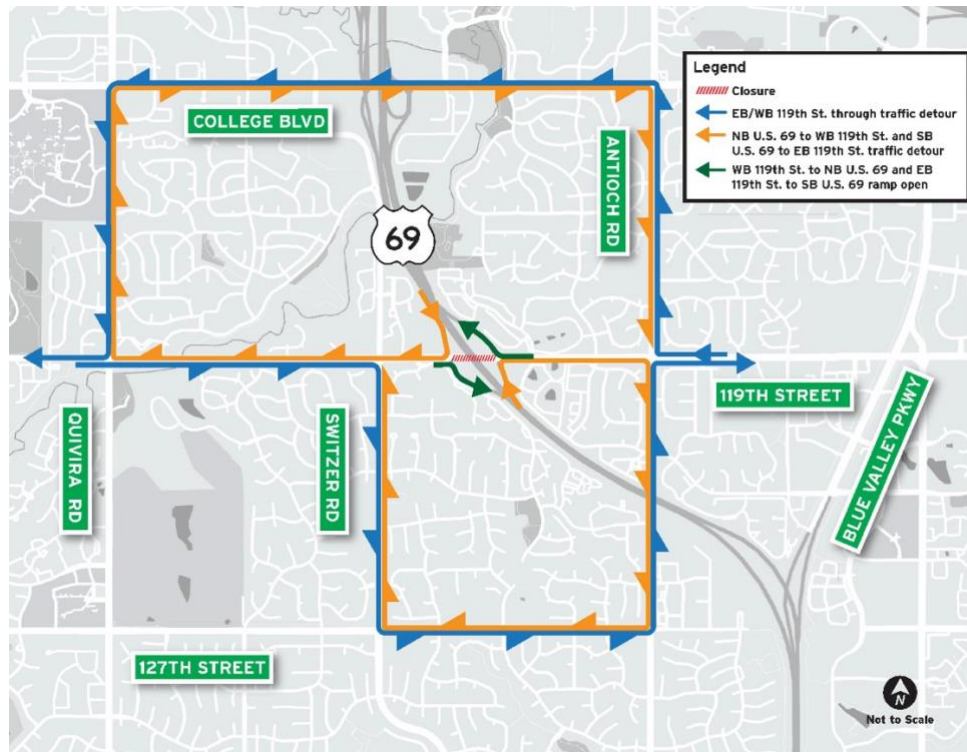

- **Eastbound 119th Street traffic will detour south on Switzer Road, then east on 127th Street to Antioch Road, then north to 119th Street.**
- **Westbound 119th Street traffic will detour north along Antioch Road, then west on College Boulevard to Quivira Road, then south to 119th Street.**
- **Traffic exiting southbound U.S. 69 to 119th Street and desiring to travel east on 119th Street, will turn right onto 119th Street, then detour north on Quivira Road, then east on College Boulevard to Antioch Road, then south to 119th Street.**
- **Traffic exiting northbound U.S. 69 to 119th Street and desiring to travel west on 119th Street, will turn right onto 119th Street, then detour south on Antioch Road, then west on 127th Street to Switzer Road, then north to 119th Street.**

This weekend closure is a necessary precursor to the longer-term closure of U.S. 69 ramps at 119th Street scheduled to begin in mid-June. The work is part of the KDOT U.S. 69 Expansion Project (69Express). All scheduled project work is weather permitting and subject to change.

Map below shows the closure locations marked in red and the detour routes marked in orange and blue.

69 EXPRESS

7400 West 129th Street, Suite 100 | Overland Park, KS 66213 | www.69express.org | info@69express.org

The 69Express project includes reconstruction of U.S. 69, widening the highway with added express lanes – one in each direction between 151st and 103rd Streets – and interchange improvements at U.S. 69/167th Street in Overland Park.

All current U.S. 69 corridor construction and closure information is available on the 69Express project website, www.69express.org. For additional information, members of the public can get regular construction updates on the project on [Facebook](#) and [X](#) (formerly Twitter) pages and by [subscribing to the project newsletter](#) and [signing up to receive text message alerts](#).
