

Northbound U.S. 69 ramp to Blue Valley Parkway will close overnight Sept. 12-13 in Overland Park

Posted Sept. 11, 2024

The northbound U.S. 69 to Blue Valley Parkway ramp in Overland Park will be **fully closed** to traffic for two nights to allow for bridge work.

The ramp closures will take place:

- 7 p.m. Thursday, Sept. 12, to 6 a.m. Friday, Sept. 13
- 7 p.m. Friday, Sept. 13, to 10 a.m. Saturday, Sept. 14

During the closure, detours will not be marked. Northbound traffic may continue north on U.S. 69 to the College Boulevard exit.

The work is part of the KDOT U.S. 69 Expansion Project (69Express). All scheduled project work is weather permitting and subject to change.

The 69Express project includes reconstruction of U.S. 69, widening the highway with added express lanes – one in each direction between 151st and 103rd Streets – and interchange improvements at U.S. 69/167th Street in Overland Park.

All current U.S. 69 corridor construction and closure information is available on the 69Express project website, www.69express.org. For additional information, members of the public can get regular construction updates on the project on [Facebook](#) and [X](#) (formerly Twitter) pages and by [subscribing to the project newsletter](#) and [signing up to receive text message alerts](#).
