U.S. 69 at 119th Street will close overnight Nov. 8

In Overland Park, northbound and southbound U.S. 69 at 119th Street will be **fully closed** to traffic beginning at 7 p.m. Friday, Nov. 8 and will reopen by 10 a.m. Saturday, Nov. 9. This temporary closure is necessary for bridge work at 119th Street.

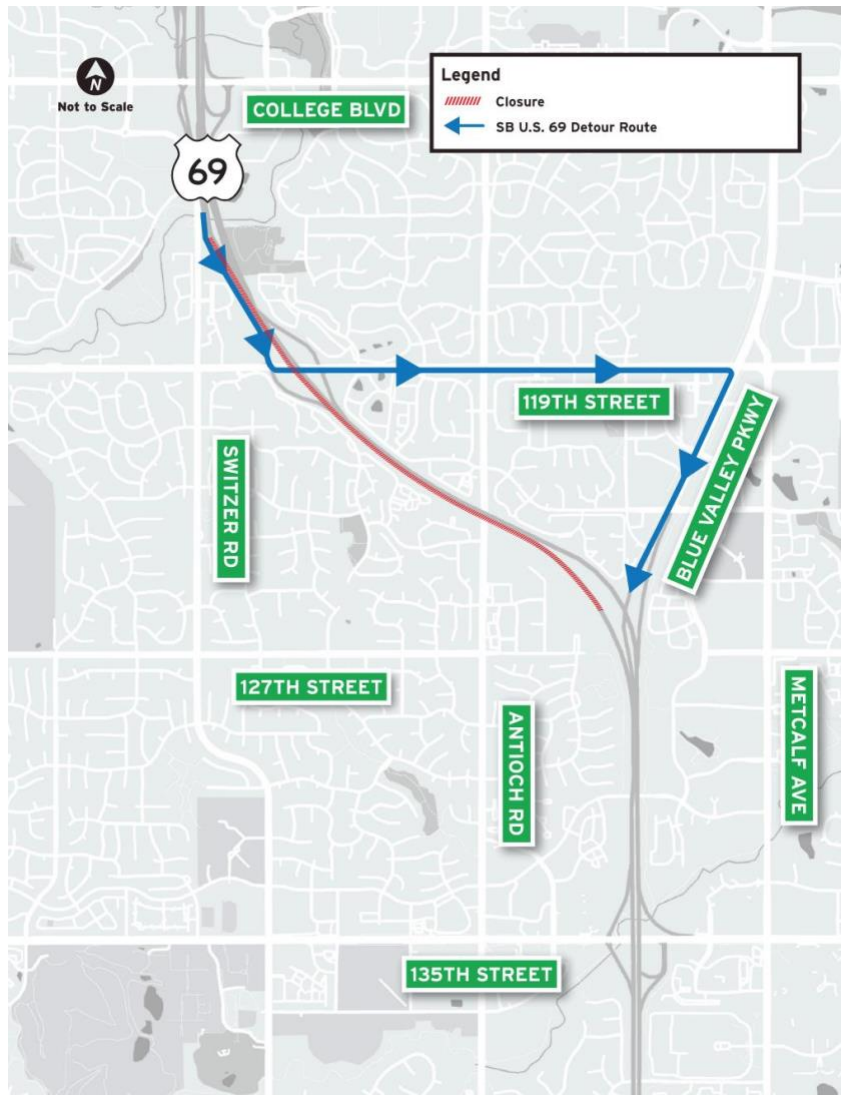

During the closure, detours will be marked as follows:

- **Northbound U.S. 69 traffic will detour on the Blue Valley Parkway exit, travel north on Blue Valley Parkway to 119th Street, then travel westbound on 119th Street to the U.S. 69 northbound ramp.**
- **Southbound U.S. 69 traffic will detour on the 119th Street exit and travel eastbound on 119th Street to Blue Valley Parkway, then take the southbound Blue Valley Parkway ramp to U.S. 69 south.**

Maps below show the closure locations marked in red and the detour routes marked in blue.

Northbound Detour Map

Southbound Detour Map

The work is part of KDOT's U.S. 69 Expansion Project (69Express). All scheduled project work is weather permitting and subject to change.

The 69Express project includes reconstruction of U.S. 69, widening the highway with added express lanes – one in each direction between 151st and 103rd Streets – and interchange improvements at U.S. 69/167th Street in Overland Park.

All current 69Express construction and closure information is available on the project website, www.69express.org. For additional information, members of the public can get regular construction updates on the project [Facebook](#) and [X](#) (formerly Twitter) pages and by [subscribing to the project newsletter](#) and [signing up for text alerts](#).
